SOIL HEALTH | PLANT GROWTH | MICRONUTRIENTS

Soil health

Support for soil-nutrition and field-preparation programmes.

01

Green Force

Phosphate Rich Organic Manure

50 kg pack

02

Super Baan

Super Prime Granular / Powder PROM

50 kg pack

03

DOP PROM

Phosphate Rich Organic Manure

50 kg pack

04

Potash

Dried Premium Molasses - K2O 14.5%

50 kg pack

05

Black Gold

Organic growth stimulator - Humic
98% w/w

Organic crop support

06

Bhumi Pakar

Nitro 35% + Humic Acid 15% + Amino
Acid 10%

Biostimulant product

Use products only as directed on the printed product label and crop-advisor guidance.

Plant development

Focused product presentations for plant growth and foliar-support programmes.

01

Super Calcium Gold

Calcium, magnesium and nutrient elements

30 kg pack

02

GIPL 24 Karat

Gibberellic Acid 0.001% SL

100 ml

03

Super Power Win

Plant Growth Promoter

0.3 L x 10 pack

04

Surya Super Zinc

Water-soluble fertilizer for foliar spray

250 g

Use products only as directed on the printed product label and crop-advisor guidance.

Micronutrients

A practical range for label-guided crop and flower nutrient programmes.

01

Zinc Super Gold

Micronutrients + Sulphur

Crop and flower yield

02

Mono Zinc

Zinc Sulphate Monohydrate - Zn 33% min, S 15% min

Agriculture grade

03
